“More Than Just Art Studio” 15 Manominee Street Huntsville – 705-784-0380

Description:

Join Helena for a full day of acrylic painting for the Intermediate artist! Specially designed for those who love to paint but have never had the opportunity to take a full 6week course, here is your chance to try a one-day session and be totally immersed in the A B Cs using COLOUR in acrylic painting. Helena has a relaxing way of teaching that allows you to learn at your own pace and experiment with new styles, colours and techniques. There is no stress to create the “perfect” painting, (there is no such thing) you will learn about COLOUR in relation to value and composition. Every workshop ends with a friendly, non judgemental 45 minutes of class review, an opportunity for fellow students to share their works, ideas, and processes.
